Emerging B-school earns international accreditation

The SAQS accreditation will offer Kohinoor Management School's two-year full-time PGDM an equivalence to MBA degree

Kohinoor Management School (KMS) has achieved international accreditation from the South Asian Quality Assurance System (SAQS). This accreditation is due to the B-school's academic rigour, innovative teaching methodologies, and its pursuit of global excellence in business education.

In Mumbai, so far there were only six B-schools which were SAQS accredited. Kohinoor Management School has now entered this league as the seventh member.

The SAQS accreditation will offer the B-school's two-year full-time Post Graduate Diploma in Management (PGDM) an equivalence to MBA (postgraduate degree), as per the Association of Indian Universities (AIU).

Salient features

Global recognition: With this accreditation, KMS joins the ranks of elite B-schools worldwide, positioning itself as a hub for top-tier education and cutting-edge research on a global scale.

Quality education: Students at the B-school are provided educational experiences that empower them to thrive in today's dynamic business landscape. The institute's faculty, state-of-the-art facilities, and industry-relevant curriculum ensure that every student receives a quality education.

Industry connec-

Through internships, hands-on projects, the students gain real-world experience and build lifelong connections

tions: Students have access to a vast network of industry leaders, experts, and mentors. Through internships, networking events, and hands-on projects, they gain real-world experience and build lifelong connections.

Empowering future leaders: The institution aims to empower the next

generation of business leaders to drive positive change and innovation. The international accreditation will give the B-school an added edge. The recent achievement will help push the boundaries of business education in the B-school's journey of growth and innovation.
